

International Occupational Health

**FOHNEU**  
**CONGRESS**

2 - 3 October 2025 | Cork, Ireland

Hosted by:

## Shaping the Future of Occupational Health

Join us on 2 and 3 October 2025 in Cork, Ireland, for the 8th FOHNEU International Congress.

With the theme "**Leading the Change**", this congress is set to be a landmark event in the world of occupational health, bringing together a diverse array of professionals dedicated to advancing the field. As the landscape of occupational health continues to evolve globally, this congress will serve as a pivotal platform for **networking, sharing cutting-edge insights, innovative technologies, research and much more.**

Attendees will have the opportunity to delve into the latest health, safety & wellbeing trends, explore case studies and navigate the complexities of new legislation and technologies and guidelines at both national and international levels.

This prestigious event will attract leaders in **occupational health nursing & medicine, health & safety professionals** from both private & public sector, **academics and providers of occupational health services/products.**

Over the course of two dynamic days in Cork, participants will engage in a rich programme of conferences and exhibitions, showcasing the latest developments, products and leadership strategies.

The FOHNEU Congress promises to be an inspiring and informative gathering, fostering collaboration and driving the future of occupational health forward.
